

EBC New Sponsorships Scheme

Why supporting The European Business Council in Japan?

The mission of the EBC is mainly advocacy and lobbying on behalf of the European National Chambers of Commerce in Japan and for the EBC-affiliated companies. The EBC specializes in Japanese government relations and public affairs and offers a full range of government relations and related services. It issues monitoring, in-depth intelligence and strategic outreach reports, and works on public affairs campaigns and strategic support for public tenders / public-sector sales.

The EBC offers 6 categories of sponsorship

Depending on the categories they choose, the Sponsors will be able to get:

- Membership to the EBC
- Participation to the EBC sectoral committees
- Their logo on the EBC website (homepage and/or dedicated sponsors' web page)
- Their logo/name in the EBC White Paper

What is the White Paper?

The 25 sectoral EBC committees produce every year the White Paper, a series of recommendation to the Japanese government. It is a direct channel to the Japanese Government officials and politicians, which gives you the opportunity to have your voice heard.

- Their company banner/information material/keynote speaker at the EBC Briefings

What is an EBC Briefing?

It is a public conference, generally held at the EU Delegation and followed by a networking cocktail. It is organized by committees' clusters 4 times a year, one of which featuring the public launch of the year's White paper.
